CNY CAT COALITION

Changing the world for homeless & at-risk cats in Central New York—four paws at a time

PANDEMIC PET ADOPTIONS = A RECORD YEAR FOR US!

You probably heard about the huge numbers of people adopting pets during the pandemic—you might even be one of them! We can definitely tell you that rescue cats were in high demand in 2020 (and still are). **We found homes for nearly 1,000 cats in 2020—up almost 200 cats from our record in 2019!** For the first time ever, we had weeks with more people who wanted to adopt than we had available cats. Our cats are still very popular and we're seeing multiple applications come in within just a few days—so we apologize if you've had a hard time adopting recently. Thank you to everyone who chose to give a homeless cat a new lease on life in the past year!

Midnight and Luna are from one of the many spring 2020 litters born under porches across Central New York. Cat Coalition was contacted to help and we were able to bring the mama and the two-week-old babies into foster care. After being fixed, vaccinated, and well loved for several weeks, they were adopted by their new forever family. Their new mom says, "These two fur balls complete our family ♡♡. CNYCC made the adoption process seamless and a great experience."

Sable came to us after a good Samaritan found her as a stray, brought her inside, and contacted Cat Coalition. She was in pretty bad shape, with what appeared to be chemical burns on her face, neck, and parts of her body. These wounds took a while to heal, and once she was feeling better, and had been spayed, we placed her up for adoption. Her adopter loves this beautiful girl and regularly sends pictures of her. Look at how beautiful she is now!

For nearly two years, **George** lived a very sad and neglected life alone in an apartment after his human died, only surviving because staff fed him a few times per week. When a foster picked him up he had terrible matting and an eye infection, but was loudly purring and very happy to have company. After being alone for so long, George always wanted someone around, so he was introduced to a mom and kittens and he absolutely loved them! George was adopted by a lovely couple and now has two loving kitty siblings.

VOLUNTEER OPPORTUNITY!

We transport around 20 cats to be fixed at the CNY SNAP spay/neuter clinic in Cortland every Monday, and we need volunteer drivers to help! Morning drivers pick up the cats in North Syracuse at 7:30am and take them to Cortland, and night drivers pick up the cats around 6:30pm in Cortland and bring them back to North Syracuse. Most drivers only need to volunteer once a month or less and we can accommodate seasonal driving needs. Just email us at cnycc@outlook.com or sign up online at cnycatcoalition.org/volunteer.
