CNY CAT COALITION

Changing the world for homeless & at-risk cats in Central New York—four paws at a time

CNYCC RECEIVES PETCO LOVE GRANT

↑ Because of inbreeding, José was born with a congenital condition called medial patellar luxation, meaning his rear kneecap popped out of the groove, making it difficult for him to walk. Thankfully, we were able to get him the knee surgery he needed to correct the condition and improve his quality of life. He is now looking for an adopter who will love him forever!

This April, the CNY Cat Coalition was the recipient of a \$19,000 grant from Petco Love (formerly Petco Foundation) to assist with veterinary costs for foster cats.

We are so thankful for this support, which will go toward paying for veterinary costs

for our foster cats. We take in cats with a wide range of medical issues, ranging from simple upper respiratory infections and parasites to serious illnesses and injuries, including conditions requiring major surgeries. In 2020, our volunteer foster parents incurred more than \$45,000 in out-of-pocket vet bills, and this grant (and other donations) help us reimburse our foster parents a portion of those expenses. If you want your donation to specifically benefit our medical fund, just note “Med Fund” on your check or PayPal form!

↑ Fred was rescued after he was attacked by another animal while living as a stray. He had both an infected bite wound and a broken leg. This lucky boy recovered well and found a wonderful home!

↑ Ginger is a sweet 11-year-old who was diagnosed with thyroid disease. Luckily, she improved greatly with medication and was lucky enough to find an amazing forever home where she is living her best life!

MEMORIALS

February 17–July 12

Adopt me!

EDMUND

Hello, my name is Edmund and I had a rough start to life. I was found peeking in windows this winter on the Northside of Syracuse, looking for a family to love me. I'm around four years old, so still just a young guy! I love people and attention and am a great boy. If you give me a chance, I will be your best friend. My gorgeous long fur is so soft and silky now that I'm living the indoor life!

I am FIV positive, which just means that my immune system doesn't work at 100%, but it doesn't slow me down. FIV+ cats can live long healthy lives if we are indoor only and receive routine vet checks. I would like a new home as an only cat with no young children so I can be the king. Because of my FIV status, my adoption fee is waived!

THANK YOU TO OUR VET AND CLINIC PARTNERS

The past year and a half have been incredibly difficult for both rescues and veterinary professionals. There is a huge shortage of veterinarians and licensed vet techs across the country, meaning that many practices and clinics are doing more with fewer staff. That's why we're so appreciative of our amazing vet partners who continue to offer us care for sick and injured animals, spay/neuter surgeries, vaccines, testing, and more. We could not do any of this without you! Know a vet who may want to work with us or a spay/neuter clinic a couple times a month? Email us at cnycc@outlook.com with their contact info!

THE CANINE CARNIVAL IS BACK!

Saturday, September 18, 1-3pm

Jamesville Beach Park

Tickets: \$5 at caninecarnival.org

Come and visit the Cat Coalition booth at this year's Canine (and Feline!) Carnival in Jamesville! We will have adoptable cats and kittens on site, a great raffle basket, CNYCC merchandise and other cat products for sale, and information about volunteering and our spay/neuter programs.

WE NEED FUNDRAISING VOLUNTEERS

Do you have experience organizing and running fundraisers and events for organizations like ours?

We'd love your help putting together new fundraisers to help raise money for our veterinary costs, spay/neuter programs, and other expenses. Caring for cats costs us more than \$200,000 every year, and almost all of that is paid for by our generous supporters. We're looking to reach new donors and volunteers through fun and exciting events of all kinds, so if you're interested in helping with a couple activities, please reach out to us at cnycc@outlook.com!
