CNY CAT COALITION

Changing the world for homeless & at-risk cats in Central New York—four paws at a time

#BETTYWHITECHALLENGE

THANK YOU TO ALL THE BETTY WHITE LOVERS!

\$8,500+

January 17 would have been beloved actress and animal lover Betty White's 100th birthday. To honor this legendary lady, rescues across the country participated in the #BettyWhiteChallenge, which encouraged people to donate \$5 or more to a nearby rescue or shelter to show their support. And boy did you all show your support! We were so honored that more than 330 people donated \$8,500+ through Facebook, PayPal, and by check. What an unexpected, but incredible event! We cannot thank all of you enough for your amazing generosity and kindness.

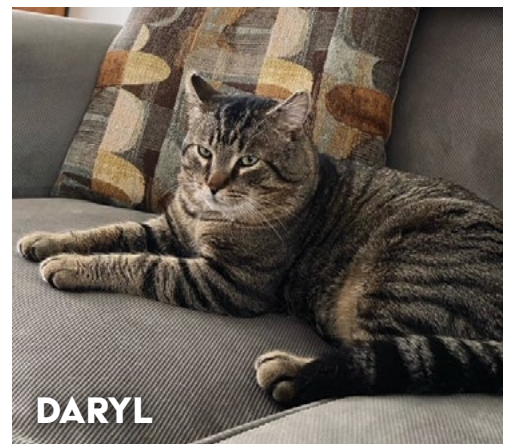

BE POSITIVE ABOUT FIV CATS

Have you considered adopting a cat with FIV? While this condition may sound scary, it's really not! Feline immunodeficiency virus is an acquired condition that cats get after being bitten by an infected cat. FIV can reduce the effectiveness of a cat's immune system, though many FIV⁺ cats live normal lifespans with no health issues. FIV⁺ cats can live safely with other cats as long as they get along well with each other. Check out these three sweet FIV⁺ guys looking for new homes at cnycatcoalition.org/adoption.

Daryl (top)—4/5 years old, a super cool guy who wants a human to love. He enjoys hanging out with you and getting petted and would prefer a home without dogs or young kids, but is OK with another calm kitty.

Hamilton (bottom left)—5/6 years old, loves to chill out in a comfy spot and relax. Lives with other cats, but would also thrive as the only cat.

Peter (bottom right)—5/6 years old, likes to rub himself on you and get his head scratched and play with his toys. He prefers a home as an only kitty with no young children so he can have all the love he wants.

2021 STAFFWORKS SAVE A LIFE CAMPAIGN

Thank you for your incredible support and generosity!

The 2021 Staffworks Save a Life Campaign kicked off on Monday, November 29, and stayed strong through December 31. During those 33 days, 425 individual supporters donated \$53,062 to Cat Coalition, and we received a \$14,000 match from the Staffworks Save A Life Fund!

Of the 32 participating animal charities in 2021, CNYCC had the 13th highest fundraising total—which was the highest of any organization run entirely by volunteers with no physical shelter!

Thank you again for all of the donations you give us every year through this amazing campaign!

Thank you to all of our donors, volunteers, and adopters!
