## OUR CATS NEED YOUR HELP!

Please make a donation to the Cat Coalition during our annual Tail End Campaign to help us continue to change the lives of local cats. Your contribution has an immediate impact on cats right here in Central New York by funding our low-cost spay/neuter program and rescue and adoption efforts. If you've adopted from Cat Coalition, gotten a cat fixed through us, or had one of our volunteers help with a cat in need, you have already seen the good works we do. Please pay it forward with a donation today. Where does your money go? More than 90% of all expenses go toward direct medical care of cats.

## ELLINGTON

In June, a woman contacted Cat Coalition, frantic because she had just found a cat left in a tiny cat carrier in the hot parking lot of a local restaurant. It was a warm summer day and the cat was crying loudly. She searched the restaurant and local businesses but no one came forward

as being the owner. Luckily, a CNYCC foster was able to take her immediately. When the kitten-sized crate was opened, we found that this large adult cat's long fur was completely covered in terrible, hard mats that stood a few inches off her skin in areas. She was scared and stressed but loved being held and petted.

Now named Ellington, she was able to get professionally groomed within a few days, shaving off all of her painful, itchy fur so she could finally enjoy getting back scratches and cleaning herself.

She had very bad dental issues and two of her teeth actually fell right

out when touched. A vet diagnosed her with resorption, which is when the dentin within a tooth erodes and becomes destroyed, causing significant dental pain. She needed multiple teeth pulled and to check if roots had been retained from teeth that had already fallen out. Ellington's dental surgery at the end of November will cure her pain and help her finally lead a normal life!

Thankfully, Ellington recently found an adopter who wants to give her a forever home once she is fully healed from surgery! We are still collecting donations toward her care, which will be between \$800 and \$1,100. You can donate by check or PayPal and note that it is for Ellington's dental surgery.

### OSCAR, SPROUT, AND MOMMA

Two CNYCC rescuers worked for several months to capture a stray female who had raised at least one litter of kittens outside. Finally they got her! In foster care, Momma (black & white) met 2 sweet cats, Oscar (orange tiger), and Sprout (black & white). Over time, the three became the best of friends and loved being in each other's company. Momma was extremely shy and needed a lot of TLC and socialization before she was ready for adoption

though. One day, Sprout and Oscar had visitors who were interested in adopting a pair of cats. When they met these boys, they saw how bonded they were with Momma, who was still very shy. Even though she wasn't as outgoing and social as the boys, they still fell in love with her and decided to give all three lucky rescues a forever home together! They are now living their best lives because of all the love and patience that their new parents, Corrine and Mike, give them every day.

## GARAGE SALE FUNDRAISER

### Thank you for your support!

We were excited to have our first garage sale since 2019, and we're thrilled to say that we raised nearly \$6,000 thanks to your generous donations and our great shoppers! Thank you to everyone who volunteered, donated, and shopped. Thanks also to the Nedrow Fire Department for their great space, B&C Storage for donating a storage unit, and Nick's Pizza for feeding our volunteers! Stay tuned for next time! If you own a venue that would be great for our next sale, please let us know at [cnycc@outlook.com](mailto:cnycc@outlook.com)! We'd love to find a large space that would give us a couple weeks to collect and organize sale items, like an empty storefront.
